

Gu Dian Gloves

NEVER STOP IMPROVING

About Gu Dian

NEVER STOP
IMPROVING

35+ Years of Industry Expertise

Gu Dian, an ISO 9001:2015-certified manufacturer, was founded in June 1989. Since its founding, the company has upheld four core values: product quality, customer orientation, long-term vision, and sustainable development.

Gu Dian began by manufacturing conveyor chains for glove-making machinery, and later developed its own vertical multi-tier glove machines — overcoming the space limitations of conventional large-scale equipment and greatly boosting productivity. These machines have been exported to Malaysia, Thailand, Indonesia, and beyond, and our quality and service have earned the trust of international manufacturers such as Comfort Rubber Gloves, WRP Asia Pacific, and Cardinal Health Group.

Today, Gu Dian applies advanced manufacturing technology to produce high-quality gloves and has developed a wide range of exclusive products — latex household gloves, industrial gloves, and drybox gloves — featuring innovations such as an aloe vera formula for hand care and antibacterial protection.

With extensive experience, competitive pricing, and excellent service, we have built a strong reputation and set the benchmark in the glove industry, with products highly regarded by customers around the world. Through the joint efforts of our entire team, we live by the spirit that defines Gu Dian: "Never stop improving."

MILESTONES

35+ YEARS
OF INDUSTRY EXPERTISE

ISO 9001:2015
CERTIFIED AND MORE

6,000,000+
PAIRS PRODUCED ANNUALLY

Manufacturing Process

Quality First

LATEX DIPPING

Hand molds are dipped in natural latex multiple times, building up even thickness for lasting durability and protection.

WASHING & TUMBLING

Gloves are thoroughly washed to remove residues, then tumble-dried to develop a rich, consistent color and a soft, comfortable finish.

QUALITY CHECK & PACKING

Every glove undergoes strict quality inspection before packing, ensuring customers receive defect-free products.

SMART WAREHOUSING & LOGISTICS

A smart warehouse management system streamlines operations with real-time inventory data, ensuring accurate and on-time delivery.

Household Gloves

Two-tone
GD101

Solid color
GD201

Natural Latex Multi-Purpose Household Gloves

◆ Features

- Thick, comfortable, and reusable
- Natural botanical extracts
- Innovative non-slip texture
- Multi-layer latex for durability
- High elasticity (SGS-certified)

◆ Packaging

- 288 pairs / carton (box)
- 360 pairs / carton (bag)

* Tested per Taiwan FDA food-contact sanitation standards — all items within regulatory limits

* Tested per CNS 10518 (household rubber gloves)

* US FDA 21 CFR 177.2600 (rubber articles for repeated food contact) — PASS

Size	S (7")	M (7.5")	L (8")	XL (8.5")
Length	33.5±0.5 cm			
Weight	76±3 g	79±3 g	82±3 g	85±3 g
Thickness	0.48 - 0.50 mm			

Full test reports available upon request.

* MOQ : 1x20' FCL

GD301

Natural Latex Aloe Vera Skin Care Gloves

◆ Features

Includes all the benefits of GD101/GD201, plus:

- U.S.-patented Aloecorp® aloe vera formula
- Natural ingredients rich in vitamins, minerals, and amino acids for nourishing, antibacterial care
- Ingredients certified by IASC*

◆ Packaging

- 360 pairs / carton (bag)

Size	S (7")	M (7.5")	L (8")	XL (8.5")
Length	33.5±0.5 cm			
Weight	76±3 g	79±3 g	82±3 g	85±3 g
Thickness	0.48 - 0.50 mm			

* International Aloe Science Council

GD401

Extra Long Sleeve Antibacterial Diamond Gloves

◆ Features

- Diamond-textured non-slip grip
- Belgian ZPT antibacterial formula
- Extended 38 cm length
- Fold-back cuff (drip-catch) keeps arms dry

◆ Packaging

- 288 pairs / carton (bag)

Size	M (7.5")	L (8")
Length	38±0.5 cm	
Weight	110±5 g	115±5 g
Thickness	0.48 - 0.50 mm	

* MOQ : 1x20' FCL

U3380

Natural Latex Universal Household Gloves

◆ Features

- Thick, comfortable, and reusable
- Durable latex protection
- Excellent heat/cold resistance
- Perfectly comfortable universal design

◆ Packaging

- 360 pairs / carton (bag)

Size	L (8")
Length	33.5±0.5 cm
Weight	80±3 g
Thickness	0.48 - 0.50 mm

* MOQ : 1x20' FCL

U2732

Natural Latex Universal Slim Fit Diamond Gloves

◆ Features

- Diamond pattern on both sides
- Universal use for both hands
- Perfectly fits hands

◆ Packaging

- 1,296 pairs / carton (bag)
- 1,440 pairs / carton (bag)

Size	S (7")	M (7.5")	L (8")

Thickness	0.3 mm		

* MOQ : 1x20' FCL

Industrial Gloves

-  General Maintenance
-  Construction and Painting
-  Laboratory Works
-  Agriculture and Fishery

L3392 + Ideal for Light Industrial Processes and Light Chemical Industry

Light Industrial Latex Gloves

- ◆ Features

 - Made of 100% natural latex
 - Grip-enhanced palm texture
 - Resistant to weak acids and alkalis
 - Comfortable to put on and take off
- ◆ Packaging

 - Product packaging varies by sizes

Size	9"	9.5"
Length	32.5±0.5 cm	
Weight	85 - 90 g	90 - 95 g
Thickness	0.45 - 0.50 mm	

Neoprene DN9580 Latex DL9580 + Ideal for use in dryboxes and anaerobic chambers

Drybox Gloves

- ◆ Features

 - Neoprene: Resistant to acids, alkalis, and alcohols
 - Latex: Resistant to weak acids and alkalis
- ◆ Packaging

 - Neoprene: 5 pairs / small carton
 - Latex: 25 pairs / small carton
 - Product packaging varies by size

Material	Neoprene	Latex
Size	9.5"	9.5"
Length	*60 - 80 cm	*60 - 80 cm
Cuffs	6", 8", 10", 12"	6", 8", 10", 12"
Thickness	0.50±0.05 mm	0.50±0.05 mm

*Length: Custom lengths available to fit drybox dimensions

- Important Notes
- ① Choose neoprene when resistance to acids, alkalis, and oils is required.
 - ② Neither material is UV-resistant; avoid prolonged UV exposure.

H8516 + Ideal for Civil Engineering, Food Processing, Cleaning, Chemical Processing

Industrial Latex Gloves

- ◆ Features

 - Easy to put on and take off
 - Thick and wear-resistant
 - Reliable non-slip grip
- ◆ Packaging

 - Product packaging varies by size

Hello, I'm HOYA.

We offer a wide range of packaging and products — contact us to find the right fit.

Be a Super Hero for Hands.

Our Smart Factory

We use advanced process technologies, engineering tools, and machines to produce the highest-quality gloves.

Our Service

True to our commitment to service excellence, Gu Dian offers OEM/ODM solutions, maintains rigorous quality control, and guarantees on-time delivery of premium gloves. We look forward to partnering with you.
